Wood County Humane Society experienced another busy and highly productive year in 2021. Some of our major accomplishments are highlighted below and throughout the pages of this report, but none of these accomplishments, large or small, would have been possible without the dedication and support of our Shelter staff, our Board, our volunteers, and the community at large.

WITH YOUR SUPPORT, WE...

- accepted 697 animals into the shelter
- replaced the HVAC system with three new individual HVAC systems (one for cats, one for dogs, and one for non-animal areas), as well as installed all new duct work throughout the building, new LED lighting fixtures, new ceiling grid and tile, new electrical panel in garage, new dimming light switches, emergency lighting, motion sensors, a sound reduction wall above the ceiling, and secure roof access ladder
- purchased 4.08 acres on the east side of the shelter for future expansion of building or/and services to the community
- launched a new photo-tile fundraising program
- participated in a bi-monthly segment on WTOL's “Your Day” to highlight adoptable pets and shelter events
- distributed 1,424 lbs. of cat and dog food, and 648 lbs. of litter through our assistance program
- began offering adopters the opportunity to purchase flea/tick/heartworm prevention with their adoptions

Humane Investigations

Our Humane Agent investigates alleged animal cruelty or neglect throughout Wood County.

From reports of individual animals lacking proper food, water or shelter, to larger cases of aiding law enforcement agencies with on-site investigations and seizures, his work takes him across all 620 square miles of Wood County.
