Wood County Humane Society experienced another busy and highly productive year in 2020. Some of our major accomplishments are highlighted below and throughout the pages of this report, but none of these accomplishments, large or small, would have been possible without the dedication and support of our Shelter staff, our Board, our volunteers and the community at large.

## WITH YOUR SUPPORT, WE...

- ◆ overhauled and rolled out an improved website
- ◆ received a grant from the Humane Society of the United States (#SpayTogether)
- ◆ installed a new epoxy flooring system throughout the shelter
- ◆ installed new stainless steel enclosures on the fronts of all interior dog kennels
- ◆ repainted the interior of the shelter
- ◆ began efforts to replace the HVAC system for the shelter, which will be completed in early 2021
- ◆ installed a new garage door at the shelter
- ◆ began efforts to acquire the 4.08 acres of land for sale on the east side of the shelter
- ◆ distributed nearly 2,700 lbs. of cat and dog food, and nearly 700 lbs. of litter through our assistance program
